 6 31 airports within the state:
 6 32\$ 1,500,000

Rebuild Iowa Infrastructure Fund appropriation to the DOT for infrastructure improvements at commercial service airports.

DETAIL: Since FY 2012, \$1,500,000 has been annually appropriated from the RIIF for commercial service airport improvements. This is the first year the appropriation has been funded in the Transportation Appropriations Bill. There are eight commercial service airports in the State.
